

# Climate School - Guidehouse

## WHAT IS CLIMATE SCHOOL or SUPPLIER LEADERSHIP on CLIMATE TRANSITION (SLoCT)?

PepsiCo is expanding the opportunity for key Value Chain Partners (Suppliers, Franchise Bottlers and Contract Manufacturers) to participate in the community and online Climate School. SLoCT is organized by a growing collaborative of several Fortune 500 companies, including PepsiCo

### WHO IS IT FOR?

Companies at all levels of climate maturity. From those just starting out, to companies who have been making climate progress for years.

### WHAT'S OFFERED?

- Live seminars with expert instructors (English, Spanish, French and Mandarin)
- Learning platform with additional resources
- **2 cycles per year**
- More information here: [Supplier LOCT](#)

**SUPPLIER LEADERSHIP**  
ON CLIMATE TRANSITION

### NEXT STEPS

- 1** Contact your PepsiCo Contact to get you invited to the program. (or email [spa-sustainabilityaction@pepsico.com](mailto:spa-sustainabilityaction@pepsico.com))
- 2** Once confirmed, and email will go out from Guidehouse
- 3** Complete registration through the provided link in the email

### WHAT'S IN IT FOR the VALUE CHAIN PARTNER?

- PepsiCo Sponsors the Value Chain Partner to participate in the program
- Expert guidance and support along their climate journey
- Networking with peers
- Enables the setting of Science Based Targets

Please find [here](#) more information on the program. PepsiCo was a cofounder and helps our extended supply chain to set Climate Goals. It consists of 5/6 modules that they take in cohort style by with two seasons per year:
